

Advent Radio Message 2009

This is Bishop Walter Hurley of the Diocese of Grand Rapids inviting you to enter into the spirit of the Advent season as we watch and wait for the coming of the Lord at Christmas and His final coming in glory.

The Sacred Scriptures remind us that God so loved the world that he sent His only son among us. In our day human life, especially that of the vulnerable and the poor, seems to be of so little value to many. As our nation struggles with the health care debate I invite your prayers that our leaders will find solutions that are fair and just that are respectful of all of human life from conception to natural death and at the same time are sensitive to the those with greatest need.

Advent invites us to look deeply within ourselves, to rediscover the love of God for all. I invite you to set aside personal concerns and look in confident hope to our God.

This is Bishop Walter Hurley asking God's blessings upon all and inviting you to trust in the God who loves us and calls us to love each other.
