

DIOCESE OF GRAND RAPIDS

Regarding the West Catholic High School Cross Country Team:

“While I am saddened by the issues that prompted this investigation, I am grateful to the Grand Rapids Police Department and the Kent County prosecutor for their thorough investigation of this matter. The administration of West Catholic High School has appropriately handled this difficult situation. I support the actions taken by the administration and am confident that they will promote the values which are foundational to Catholic school education and athletics.”

Most Reverend Walter A. Hurley
Bishop of Grand Rapids
