

DIOCESE OF GRAND RAPIDS

Remarks by Bishop Walter Hurley regarding the New Administrative Structure

“The realignment of the administrative structure, which calls for one principal to serve both Catholic Central and West Catholic High Schools, will provide more efficient collaboration between the two schools and improve the implementation of programs and policies. The decision to restructure comes after deliberate and extensive research and discussion by Father Lou Stasker and members of the Grand Rapids Catholic Secondary School Board. I am grateful to them for their ongoing commitment to the long-term viability and success of our two Catholic high schools and to Mr. Tom Maj for accepting the appointment as principal of both schools.”
