

DIOCESE OF GRAND RAPIDS
Office of Communications

Bishop Walter A. Hurley remarks on the failure of immigration reform:

“I am deeply disappointed and saddened that a just and comprehensive immigration reform legislation failed to pass through Congress,” said Bishop Walter A. Hurley. “I join with my brother bishops throughout the country in urging our elected officials in Congress not to abandon this critical issue but to return to it as soon as possible. We will continue to advocate for an immigration policy that will preserve families and protect the dignity of immigrant laborers.”

Most Reverend Walter A. Hurley
Bishop of the Diocese of Grand Rapids
July 2, 2007
