

Parish guide to stewardship

Parish Stewardship Committees

The Office of Stewardship / Development recognizes that when individuals embrace stewardship as a way of life, their faith is deepened, their relationship with Jesus Christ grows, and the fruits of their stewardship benefit every aspect and ministry of the parish. The Office of Stewardship / Development provides the following services or assistance related to stewardship formation:

- Forming and nurturing Stewardship Committees, with special emphasis on promoting a two or three weekend stewardship effort
- Providing stewardship educational and commitment brochures that each parish can personalize with their logo and contact information
- Training Lay Witnesses
- Promoting an on-going awareness of stewardship in the parishes
- Providing the Parish Guide to Stewardship
- Promoting children's stewardship in the parish

For more information on Stewardship please email [Jennifer Holmes](mailto:jholmes@dioceseofcleveland.org) in the Stewardship / Development office or call (616) 459-4508.
