J. Lahey appointed business manager for Catholic Secondary Schools

Grand Rapids, MI, Sept. 9, 2009 – Jennifer L. Lahey has been named business manager for the Grand Rapids Catholic Secondary Schools effective September 15, 2009. The appointment was announced by Father R. Louis Stasker, pastor/president of the Grand Rapids Catholic Secondary Schools.

Lahey succeeds John Young, who earlier this year announced his intention to retire.

Lahey, whose office is in the Cathedral Square Center, will be responsible for managing and overseeing all financial and business planning activities.

“We are pleased to find someone with the range of experience and skill sets that Jennifer brings to this position,” said Father Stasker. “Her love of the church and commitment to Catholic school education is clearly demonstrated through her participation at her parish and her work at the Muskegon Catholic Schools.”

Prior to this position, Lahey was business manager for Muskegon Catholic Schools since June 2006. In that position, some of her responsibilities included preparing the annual budget, presenting monthly financial statement, calculation of bi-weekly payroll, managing all insurance policies, the administration of all benefits and oversight of all human resource activities.

“I am looking forward to the opportunity to serve the Catholic Secondary Schools and to interface my work experience with their goals,” said Jennifer Lahey. “It is an honor to be selected for this position.”

Lahey along with her husband and two daughters live in Holland and are members of Our Lady of the Lake Parish.
